

Medallion Game

How to play

1. Find one of the medallions placed throughout Lincoln Landing that tells the story of Abraham Lincoln, the I&M Canal or a Lockport community member. These are “Community Medallions.”

2. Then, find the hidden “Artifact Medallion” that represents the community medallion.

Can you match each artifact medallion to the correct community medallion?

Hints:

Hint 1: The item displayed on the artifact medallion will also be found on the corresponding community medallion.

Hint 2: William Gooding has two artifact medallions.

Hint 3: Joseph Foster does not have an artifact medallion.
